

SunPro Photovoltaic Systems Limited Lifetime Warranty

LSCI Inc. dba Sun-Tec Solar Energy (hereinafter SUN-TEC) warrants any brand photovoltaic system installed by SUN-TEC, to be free from defects in materials and workmanship to the original residential purchaser (hereinafter CONSUMER) from the date of purchase. This entire Warranty is subject to the following limitations and conditions.

1. DURATION OF WARRANTY

If SunPro Photovoltaic System (hereinafter SUNPRO) equipment, consisting of the Panels, Inverters, Racking, Mounts, and Junction Boxes, is determined to have failed as a result of a manufacturing defect, SUN-TEC will, at its sole discretion, repair or replace the defective part at NO CHARGE to the CONSUMER (excluding labor, trip charge, applicable shipping and handling costs).

2. LIMITATIONS OF COVERAGE

This Warranty extends only to the CONSUMER for product failure resulting from defects in materials and workmanship, and does not include perishable components. It does not extend to damage caused by the CONSUMER'S neglect or abuse, or by accident, to damage caused by wind, hail or abnormal weather conditions, or damage caused by Acts of God, civil insurrection or extraordinary circumstances beyond the control of SUN-TEC.

SUN-TEC shall not be liable for any direct or indirect damage resulting from the use of the equipment, and in no event, shall the extent of this Warranty coverage exceed the purchase price of the equipment.

SUN-TEC cannot know the circumstances that may affect the performance of a CONSUMER'S SUNPRO system. Numerous variables may be in effect for which SUN-TEC has no control. SUN-TEC makes no statements, assurances, promises, or guarantees, and assumes no liability regarding SUNPRO performance for a particular CONSUMER, nor for a percentage of performance provided, nor for reduction in a CONSUMER'S electricity usage or costs. SUN-TEC does not authorize others to assume such obligations on its behalf.

This Warranty excludes any equipment which was not installed by SUN-TEC or on which the data code has been removed or altered. Any tampering or attempted repairs performed by anyone other than SUN-TEC, including you, the CONSUMER, will void this Warranty.

3. MISCELLANEOUS

In order to be considered for validation, all Warranty coverage must be accompanied by a copy of the purchase agreement, indicating the date of the initial inspection, and a copy of the CONSUMER'S current utility bill. SUN-TEC reserves the right to inspect the SUNPRO equipment prior to honoring any Warranty claim.
